Team Name: Scrum Lords   **Member Name: Shion Wakita**

Team Project Title: Pick Up Sports App

Sprint Number: 1   **Dates for Sprint: 2/13/2019 – 2/26/2019**

User Stories Team Project *(18*2 points for Sprint 1, otherwise 21*2 points. Add rows as needed)*

PBI ID	Task ID	User Story or Task Description	Effort	Completion Points
166		As a new logged-in user, I would like to be able to provide a username and other details such as my name and phone number, so I do not just have my email address as my only contact information.		
166	175	Check if user is a first-time log-in	21	
166	178	Create Profile View for user to view details	13	
166	167	Create View for user to enter account details	8	
166	168	Save details to Contact table	13	
162		As a logged-in user, I would like to be able to modify my account details to ensure it's updated if my information changes		
162	183	Be able to change their information except for their ID	13	
162	170	Create View for user to modify details	13	
162	171	Upon submitting, user should be taken back to profile page that shows updated fields	8	
			Total Effort Points	

Backlog Refinement and Grooming / Next Sprint Planning Score _____*(8 points)*

Attach printout of the next Sprint backlog. If User Stories are added or removed by the Sprint Review meeting then you may not count them and will lose points. Adding a new Task for an existing user story is OK, but all tasks must add up to their parent user story which must be in the Sprint prior to its start. *PLAN FOR YOUR SPRINTS BEFORE THEY BEGIN!*
